

PROCEEDINGS OF THE DISTRICT POLICE CHIEF, THRISSUR RURAL

Present: Smt. R. Nishanthini IPS

Sub:- Posting of IT Officers at Police Stations – reg –

Order No. 590/Camp/2016-R dtd. 01 10 2016.

Various IT related project are being implementing in the Police Stations of our district like CCTNS, Crime mapping, CLUES, Vahansamvayi, iAPS etc. and a lot of hardware and electronic/electric items are being used for the above projects. For the proper implementation of the IT related projects and up keeping of the hardware items and other electronic/electric equipment's, the following Police Personnel are hereby appointed as IT Officers.

Duties and Responsibilities of IT Officer

1. IT Officer is liable for the up keeping of hardware and software and other Electric and Electronic items issued to Police Stations/Offices.
2. Conducting data entry in various applications by themselves and assigning other station staff for data entry on various projects.
3. To teach other Station staffs about usage and implementation of various IT related applications.
4. They are liable for interrupted file flow from police station to Digitalization center.

They are in coordination with District Maintenance Unit of DCRB to perform the above duties. SHOs are instructed to utilize the service of these people available in the Police Station for IT related works like CCTNS, Crime GIS, CLUES, Vahansamvayi, iAPS etc, and spare their service in the Police Station as far as possible.
